EveryoneOn Overview

EveryoneOn’s mission is similar to Tech Goes Home in how they provide tech related opportunities to low income people. In particular, they help by connecting families in underserved communities to affordable internet service and computers, and deliver digital skills trainings.

How to make use of EveryoneOn’s services

- Navigate to the organization’s website, linked above right under the logo
- After clicking the link, you should arrive at the organization's homepage, which should look similar to the screenshot below
- Click on the blue button labelled “Find Low Cost Offers”

- For step 1 of this process, you will be prompted to type in your zip code. After doing so, press enter or click the blue button labelled “Find Internet and Computer Offers”

The [Affordable Connectivity Program](#) is a Federal Communications Commission (FCC) program that provides a temporary \$30 subsidy on monthly broadband (internet service) bills for qualifying low-income households.
