The City of Chelsea website is a great place to find Chelsea-specific resources and to discover events and opportunities in the Chelsea area.

Reporting an Issue

One thing the City of Chelsea allows you to do is report issues that the city can fix such as a hazardous sidewalk or the need for a road sign.

To report an issue, go to the City of Chelsea website and click “Report an Issue to SeeClickFix on the left side.

You’ll then be brought to this page. Click the blue icon next to “Report an Issue”

From there, you will be asked for the location of your issue. You can either drag the red indicator to the location here or put the street address here.

When you're done, click the blue "Next" button.

The final step is to fill out the information about your issue on the next page that looks like this.

A screenshot of the final step of the issue reporting form. It contains the following fields and sections: 'Category *' with a dropdown menu showing '-- Select Category --'; 'Issue Title *' with an empty text input field; 'Description' with a large empty text area; 'Upload an Image' with a 'Choose File' button and the text 'No file chosen'; 'Sensitive issue?' with a radio button for 'Keep it anonymous' and a paragraph of text: 'Don't show my name on this issue, or show it on my profile page. But email me when someone comments on it, and give me civic points for it. (I can claim it later, if I want to.) [Learn more.](#)'; and at the bottom, 'Step 2 of 2' with 'Go Back' and 'Report your Issue' buttons.

Click "Report your Issue" when you're done.
